

SUPERINTENDENT'S UPDATE

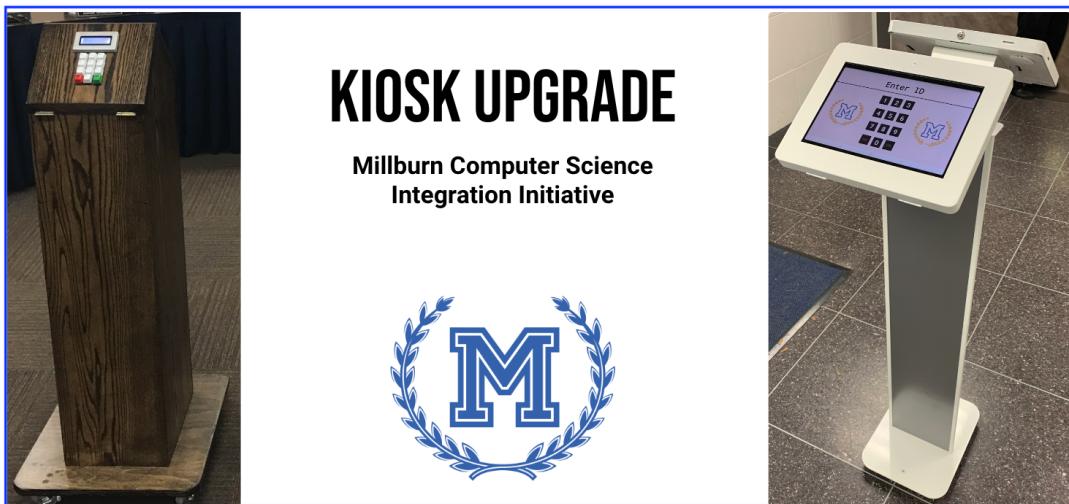

November 9, 2022

Dear Millburn Staff and Families,

Board of Education Meeting Review

At Monday's Board of Education meeting Millburn High School computer science students showed us what innovation, ingenuity, iteration and entrepreneurialism look like as they unveiled their newest updates to the Kiosk sign-in system, version 2.0. And version 3.0 is already on the drawing board.

Learn more in the [slideshow below](#), or better yet, hear it directly from the students themselves by watching the [Board Meeting video](#). Their excitement and enthusiasm for this project and what's coming next, is inspiring.

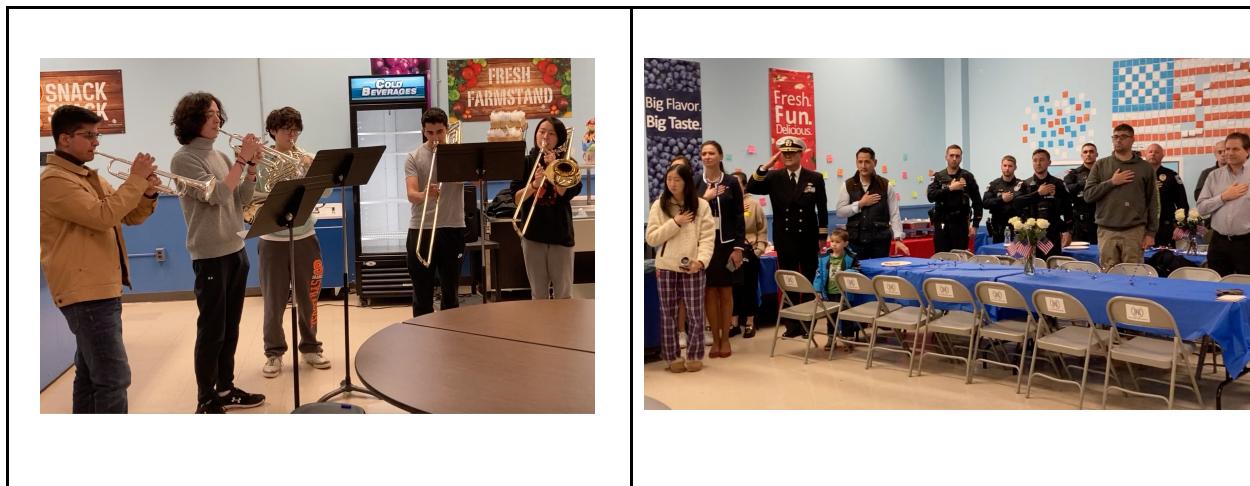

Thanks to Computer Science teachers, Hilton Seibert and Dave Farrell, and students, Neel Ahuja, Ritvik Gupta, Benjamin Li, Aditya Mittal, Pragun Seth for these exciting STEM initiatives.

Veterans Day is Friday

Millburn High School honored local Veterans with a luncheon today at the cafeteria. Thanks to our talented music students, Vishal Ganti, Joshua Chun, Kai Stone, Noah Goldberg, and Akane Wong, who played the National Anthem so beautifully, and to Seniors, Ella Moon and Zoe Palomaki for coordinating this special event. It was wonderful to see staff and students welcome these distinguished guests, and thank them for their service to our country!

Remember to fly your flag in honor of our heroes to recognize the service and sacrifice given to defend our freedom.

One Week Left - To Get Your Tickets to CLUE!

The evidence is clear...it would be a crime to miss this year's Limelight Players' production of CLUE! We detect an air of mystery...and fun for all ages in this classic who-dunnit!

Be a Usual Suspect and order your tickets now for next Friday (11/18) or Saturday's show (11/19). Go to mhsnj.booktix.com ... before it's too late!

Thanksgiving Food Drives

If you are out shopping this weekend, remember to pick up some canned food and staples for the schools' annual Thanksgiving Food Drives. We appreciate your generosity as these drives will support local families and food bank supplies for the winter. See the details from each of your schools!

Enjoy this long weekend!
